

Graeme Milburn's 29th Cancer Ride

Graeme Milburn AM, O.A.M., cyclist from Devonport, is on his 29th ride around Tasmania in a continuing effort to raise funds for cancer research here in Tasmania. Statistics show that one in two men and one in three women will be diagnosed with cancer by the age of 85 years. That means that cancer will affect almost every family in some way or another. It is therefore vital that invest in research in order to eliminate this dreadful disease.

Over the past 28 years, we have raised \$592,080 for cancer research in Tasmania and hope to add another \$25,000 to this total in 2010.
