

Young Tasmanians! Seize *your* chance for further education

Seize the Day Awards

The Cancer Council Tasmania Seize the Day Awards help fund post secondary education costs for young Tasmanians whose lives are affected by cancer, either directly or indirectly.

- + The Seize the Day Awards may help you if you're a Tasmanian aged between 16 and 25 years who is living with cancer, has had cancer or are affected by the disease though an immediate family member.
- + The Seize the Day Awards are funded by the Cancer Council Tasmania with the sponsorship of IGA Tasmania and Cripps Nubake.
- + The Awards help further the education of those recipients studying full time, part time or externally in courses starting or continuing next year. They apply to education/training courses at a Business College, TAFE or new Tasmania Polytechnic, Technical College, University, or apprenticeships and traineeships.
- + The Awards go towards costs such as: + course fees + textbooks + stationery + course equipment + transport + accommodation.
- + Applications are judged by a panel that considers the impact of the applicant's cancer experience on their ability to achieve their future educational goals.
- + The Awards are part of the Cancer Council's Cancer PLUS program, set up to educate, support and advocate for families of children and adolescents with cancer, survivors of childhood cancer and the professionals who care for them.

Applications close 30 November each year
