

## **SYDNEY CANCER CONFERENCE 2008, 24 - 26 JULY 2008**

The theme for the Sydney Cancer Conference 2008 (SCC2008) is 'Research translation: From innovation to practice'. For cancer researchers and clinicians, the SCC2008 is a unique opportunity to exchange information on current and emerging knowledge, forge new collaborations, and identify future opportunities in cancer research and patient care.

### **Call for abstract submissions – closing date 28 March 2008**

The SCC2008 organising committee invites you to [submit abstracts](#) for consideration for the free-communication component of the conference program.

The abstract submission deadline has been extended until **28 March 2008**, so don't miss this opportunity to share important knowledge with your colleagues at the SCC2008.

To submit your abstract online or for more information visit the [SCC2008 website](#).

### **Early bird registration – closing date 28 March 2008**

We encourage you to take advantage of our early bird registration rates, which expire on 28 March 2008. Places are filling up fast, so register now!

#### ***Early bird rates (on or before 28 March 2008):***

- **Delegate \$400 (standard rate \$450)**
- **Student \$125 (standard rate \$150)**

The registration fee includes admittance to all scientific sessions, poster sessions and the conference mixer, plus coffee/tea on arrival, morning/afternoon teas and lunches on both days of the conference.

[Conference dinner tickets](#) can be purchased for \$95 at the time of registration.

To register online visit the [SCC2008 website](#).

### **Program information**
