You can nominate the monthly amount you wish to give – as little as \$15 per month can make a real difference (that's less than the cost of one cup of coffee per week!).

- Membership of our Daffodil Giving program which recognises our valued regular supporters
- Membership Certificate which acknowledges your fantastic contribution to our valuable work
- Regular updates about how you're making a difference through our regular Newsletter "Daffodil News"
- Invitations to our special events
- Recognition as a Daffodil Giving supporter in our Annual Report
- An annual tax deductible receipt at the end of each financial year.

Of course you can increase or decrease your monthly gift or cancel at any time.

Thank you for generously considering becoming a supporter, you are helping so many people, both today - through much needed cancer support services, and prevention initiatives - and into the future through cancer research.

About Cancer Council Tasmania

Cancer Council Tasmania is not a government organisation. We are a not for profit that is 90% funded by the Tasmanian community. We work to minimise the impact and incidence of cancer on all Tasmanians through advocacy, raising cancer prevention awareness, and offering support and information for those affected by cancer.

The Daffodil is our symbol of hope - and when you donate to the Daffodil you can be assured that all funds stay in Tasmania to support Tasmanians.

With over three thousand Tasmanians diagnosed with cancer every year, the chances are that one day one of them will be someone close to you. Your donation will help us achieve so much.

Join now, and help us work towards our dream of a cancer-free future.

Support our **Three Thousand Daffodils** campaign by becoming a valued Daffodil Giving supporter today and together we can continue the fight against cancer. By joining our Daffodil Giving program you will help reduce the impact of all cancers on all Tasmanians and ensure that no one faces cancer alone.

So how does Daffodil Giving help?

The Daffodil Giving program is so important because it gives Cancer Council Tasmania the financial stability to dedicate funds to cancer prevention programs and support services.

Fighting cancer takes time, money and a great deal of support. Spreading your contribution across the year through monthly donations enables us to plan ahead to keep providing the best possible support.

We are more than 90% funded by our community. With your ongoing monthly donations, we can improve our support programs, develop new activities in line with what is happening in the cancer space, and most importantly, plan for the future.

You can help the more than nine people who are diagnosed with cancer in Tasmania every day, and the 1 in 2 who will be affected by cancer by the age of 85.

Will you join us in the fight?

How your contribution helps:

\$10 Can provide a newly diagnosed cancer patient with support and information resources.

\$15 Will cover the cost of recruiting and training a volunteer to participate in our Volunteer Community Speaker Program.

\$25 Can contribute to the facilitation costs of our cancer support groups.

\$100 Can help educate Tasmanian children to be SunSmart.

\$1000 Can help provide a young person affected by cancer with an education grant to continue their tertiary studies.

Thank you for your support!
